Dear Harold,

Just a quick note, because I've got to give this to a friend to mail. Here's a copy of the letter to Skolnik in which I enumerate what was sent to him. I'll try to get copies made of the documents & his suit this week, although things down here are very hectic.

Russ

Russ forgot to mail, gave me in person

This is the original copy obtained for Russ by his friend, for me. Note that the questiob mark is in ink, not in the photocopy.
